

Coverage Continuation Options

This document provides an overview of your options for continuing coverage once you separate from employment with Thomas County Schools. While specific policy provisions and rules govern continuation, this serves as a helpful guide. To maintain coverage, you must take action within 30 days of your coverage ending through the district. This includes completing your elections and making premium payments. For questions or additional information, please contact the Thomas County Schools Benefits Service Center. Further details can also be found on the Resources page of the Thomas County Schools Benefits website at <https://www.tcjacketsbenefits.net/>.
